

How do I Change My Password?

Nehal Gowrish - 2021-09-14 - Account & Profile Management

BRIEF DESCRIPTION

The

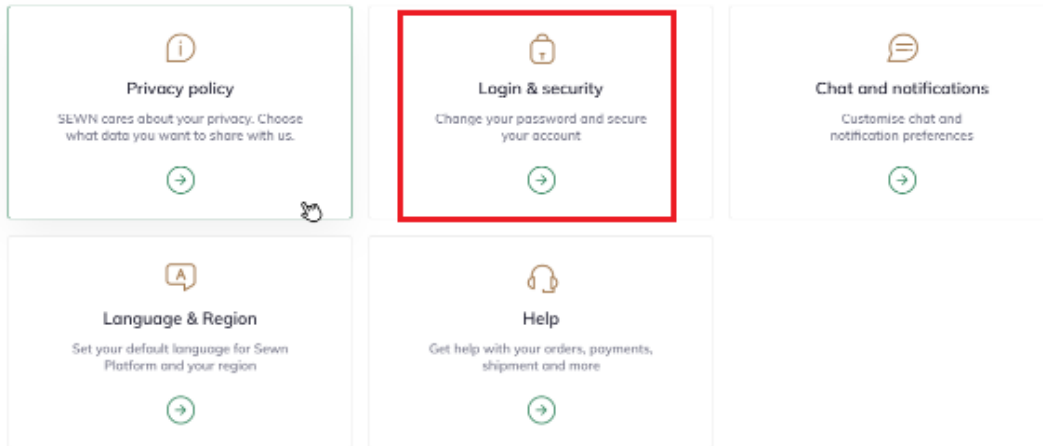

Era of We application allows the users to update the password for avoiding breaches. Changing your password from time to time will prevent hackers from accessing your account. In this documentation, you will understand how to change your password.

STEP BY STEP GUIDE

Step 1: Log in to your account, click on your profile icon from the top-right corner of the interface, and select 'Account settings' option from the drop down menu.

Step 2: Next, select 'Login & security'.

Step 3: Here you will see the option to reset your password. Click on 'Change password'.
