The Era of We application allows you to customize the platform to your liking.
In this documentation, you will understand how to customize your measurement units.
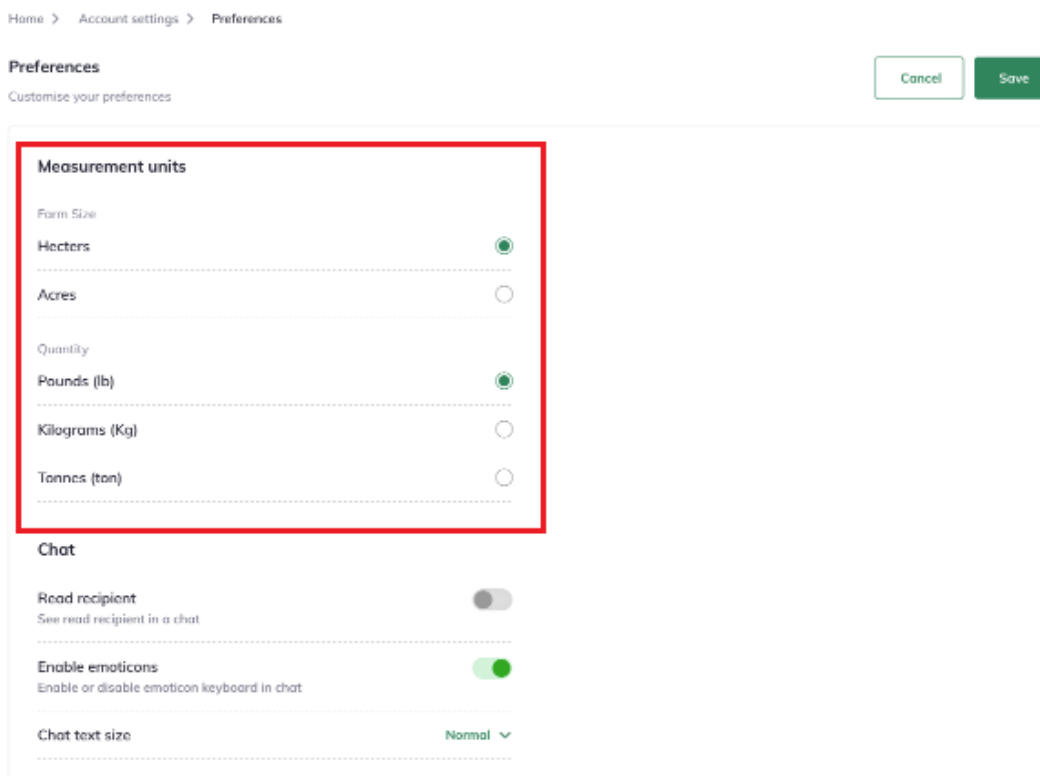

STEP BY STEP GUIDE

Step 1: Log in to your account, click on your profile icon located at the top-right corner of the interface, and select 'Account settings' option from the drop-down menu.

Step 2: Next, select 'Preferences'.

Step 3: Here you will see options to set your measurement unit preferences (metric vs. imperial).

Thus, you can change your preferred measurement units as a roaster.
